

# XXIII DLAŽBA – SAHARA

PAVINGS AND CURBSTONES – SAHARA

## SAHARA

písková  
sandy yellow

### Lemová a okolní bazénová dlažba

Dlažby v této nabídce jsou určeny pro vnitřní a vnější použití. Série SAHARA představuje nejucelenější řadu klasické dlažby vhodné zejména pro okolí bazénu.

### Edging paving and curbstones for pool surrounding

The paving and curbstones listed below are designed for both outdoor and indoor use.

The SAHARA line remains the most complete range of classical paving tiles used especially for swimming pool surrounding.

| Dlažba Sahara |  | Paving Sahara |                                                                                                                                                                                                            |                   |      |         |  | cena Kč | € |
